Measuring Mental Disorders: Psychiatry, Science and Society

The February addition of new settlements to the list of places whose residents are eligible for subsidies that could aid in relocation is a positive but inadequate step when it comes to civilian protection: international humanitarian law calls on parties to avoid placing military personnel and equipment in densely populated areas and, should this prove unfeasible, take all possible measures to evacuate civilians. Similarly, settlements adjacent to the Municipalities in Palakkad district had lower social development when compared to the urban centre, which needed further exploration.
