By the universal laws that govern all of us, abundance is already given. The only problem with coal mining, aside from it being, you know, like, deadly and everything, is that the coal mines flooded all the time. This is book 3 in the series. The Governor never comes at this time of day. However, the use of the official LTP is by no means secure in Anglophone high schools and its role as an ally of innovative teaching seems to be ignored by most teachers.
