Most profoundly, the process of organizing which is best known by those engaging in it ; of being in relationship with other people; of discussing, debating, listening, learning; of strengthening our networks of resistance across often-disparate movements can stretch the bounds of our strategies and actualize freer social relations through the process of engaging in struggle. Once the blooms go by you can clip the stems back to use. When he does this, click and give Sacrifice: What Would You Give? a treat. Success and happiness comes from your mindset. But the occupiers are not from all walks of life, just from those walks that slope downwards - from debt, joblessness and foreclosure - leading eventually to pauperism and the streets.
