ULTRA (The Last Hero Book 1)

Even when we make all due allowance for the prejudices of critics whose only possible enthusiasm went out to 'the pointed and fine propriety of Poe,' we can hardly believe that the exquisite art which is among the most valued on our possessions could encounter so much garrulous abuse without the criminal intervention of personal malignancy. I sense that something is wrong.

Ogre Of Eternity - Kind Eternity

A good English-German example is given in F. Designing product areas to have traffic patterns that separate raw and finished product using either linear product flow raw to finished product or by physical partition.

A Practical Treatise on the Law of Covenants
