Sketches From the Edge: Short Fiction

How would you like the money.

Prisoner of Desire

Our vision of the way the world can be articulated within and over against existing social structures, and everywhere we turn in seeking to realize these visions we come up against institutions that stand between us and our ability to live spiritually fulfilling lives AckelsbergUnless the quest for integration of our relationships to the Self, God, earth, and others emerges out of and leads to the creation of forms of community that nurture our whole being, this quest remains marginal to our daily lives, and thus ineffective and irrelevant. By Garry Hamilton.

Tweet Land of Liberty: Irreverent Rhymes from the Political Circus

These data show that ERs modulate mitochondrial antioxidant production and have distinctive vasoprotective mechanisms.

I've seen other reviewers who say things like, "the conversation isn't very lifelike" or "there's far less Christian Grey in this than I'd prefer", to which I'd say: "I don't think you get it". In fact, it may be up for debate whether there is even any magic in this book which is odd considering the title.
