Reflections

Whether inside or outside, the apes have an opportunity to climb trees and multi-level platforms, rest in a hammock; swing from hanging ropes and fire hoses, engage in enriching activities such as training and painting and forage for food.

LEVEL 2 DOOR SUPERVISION: IN THE PRIVATE SECURITY INDUSTRY

The forest would be dark while the light would be on the outside of the scene and only in the tops of the trees. This is particularly the case for the younger age group children under threes as the latest Report on the Barcelona target shows.
